My dear Kesavamurthy,

The Chief Wardens have a vital part in the A.R.P. organisation, and their usefulness depends on the confidence and cooperation they can secure from their fellow citizens, both official and non official. To anything that Govt could do to give them greater prestige and publicity would be not only peaceful, but add greatly to their influence for good.

I would venture to suggest, for the favourable consideration of Govt, that the appointments of the Chief Wardens

might be notified in the Gazette,
Like those of the A.R.P Controllers

With kind regards

Yours sincerely
